

DIF

SSG Plt Sgt 23 Mar

501st MP Co, IAD

31B

In country Dec 17th

In job Jan 1st.

A/C

1. Made contact w/ unit by email

Refreshed on ARs & FM

Skill levels - 1-2

AR 195-5, Phy Sec Reg. AR 190-8

Received IAD training in country also going

to qualify - CBT - had 2 weeks

to observe platoons. Plt established

the DIF & it has evolved over

time.

2. Law of War - yes. New soldiers

- trained based on what

Plt Sgt felt was important for

D.O. - DIF operations, paired

them up w/ senior person in

platoon until trained. Training

on other MP task Cbt Spt &

role.

3. DIF procedures established by

Co in SOPs - changed based

on situation over time

Spot check & certify soldier

Reinforcement training

4. Walk-thru phase (care)
Scheduled timelines for hygiene
based on weather, MTC controls
at treatment level - classroom
training

ICRC comes out occasionally.

Interrogators & FBI will occasionally
relay detainee complaints or wants

5. Get ROE running at integration
(Dir). This is done at unit
level too. Class given once a
month. Everyone has ROE
Cards. Convoy briefs given
ROE. ROI is incorporated in
normal MP training. They know
their role in interaction.

6. Randomly ask questions to
Soldiers - Elicit a response.

9. BNCCOC - went over variations
of Desert Storm EPH's ops. DIF
Operations - no. No specifically
Straight EPH only. Basics
are still there - treatment.
Very generalized.

10. Not sure if it is posted in
DIF. Gen Cov. Taught Q. v. 1/311
