1. Change overtime, did provide all spt. BMO did repairs. 5-4 did all supply actions & repairs. HHC took over MREs distro & water. Used a local national team to improve QOL & repairs. Cadre of 8 - have been w/ unit for 8 months. Org called QIT Qatar International Training (Rebuilding Iraq) - Manpower Org.

2. D.O. is always a high priority. At spt was not there, it's a big deal - want to take care of them. D.O. did not adversely impact normal operations. Draws MREs from MSB - had the ability to surge

Cold Spell - purchased blankets & repaired heaters.

Nothing in SOP (logistics for D.O. Supply System is the same.

2. Transportation - had to release take them downtown, where they can catch a cab. HHC takes this
